

## Forwarding calls From your phone

- 1) Go to **options**(bottom right on the phone)
- 2) Enter your Voicemail password
- 3) Choose the availability state(more than likely it will be Available), choose **edit** button(bottom left)
- 4) Then choose the options you like

When you input your number for it to forward, don't forget to enter 9+1(phone #)(E.g 9+1516-888-8888)

Done!
