APPLICATION AND PERMIT FOR CONCRETE WALK & CURB

VILLAGE OF FREEPORT, NY 11520

To the Board of Trustees of the Village of Freeport, N.Y. :-

I/We, the undersigned, request permission to construct a concrete sidewalk _____ feet in width and _____ feet in length. Concrete curb _____ feet in width and _____ feet in length. Concrete curb cut _____ feet in length, in front of premises at (address) _____

This is a (check one) **NEW STRUCTURE (\$220.00)** **EXISTING STRUCTURE (\$40.00)**

The sidewalk, curb and/or curb cut is to be constructed according to village specifications and the work to be done under direction and conformity with all ordinances, rules and regulations of the Village.

Date: _____

(Property Owner's Signature)

(Print Name)

I hereby apply for approval for the above-described work and agree to construct said sidewalk, curb and/or curb cut in conformity to Village specifications and in full compliance with the terms of the Village Code, Chapter 180, Article IV of the Ordinances entitled "Streets and Sidewalks" and any other applicable ordinances. **I will notify the Engineering Department at 377-2233, 24 hours prior to placing concrete so they may inspect the formwork for proper line and grade.** Failure to notify the Engineering Department prior to concrete placement may result in the work being rejected by the Village due to incorrect line and grade. In addition, to remove or fill and grade all soil between the sidewalk and curb line.

Date: _____

(Licensed & Insured Contractor's Signature)

(Print Name)

Permission is hereby granted to the above applicant who is a licensed sidewalk contractor of the Village of Freeport, to construct the above work under the terms and conditions prescribed herein.

Date: _____

(Village Clerk Signature)

We hereby certify that we have inspected the completed work and that it conform to the specifications as set forth by the village.

Date: _____

(Engineer Signature)

TO THE APPLICANT

Village regulations state that there must be a legal sidewalk and curb adjoining each new structure. A legal sidewalk curb and/or curb cut are new installations, which conform to a prescribed line and grade specified by the Village. The use of existing sidewalks and curbs or portions thereof is acceptable if they are unbroken and conform to such line and grade.

Obtain the correct house numbers for new structures and affix them to the building or buildings as soon as possible.

A separate Application and Permit should be made for each unit bearing a separate house number.

THIS PERMIT MUST BE MAINTAINED OR POSTED AT JOB SITE
